

Crane Training Schools Whitby

Crane Training Schools Whitby - We have designed a lot of Mobile Crane Operation programs at our Crane Training Schools. These programs are recommended for the skilled operator who needs re-certification or certification, and for inexperienced operator who is seeking work in the business. Crane operator positions are in demand due to their high pay. Operators of cranes are among the highest paid of whichever heavy equipment operator.

Our Crane Training Schools feature training and instruction for various mobile cranes. Course content includes Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Load Charts, Rigging, and Signaling.

The Crane Training School program is best for supervisors, operators and riggers. Course materials comprise an informative and manual hand-outs. The safety guidebook which is illustrated consists of one hundred to two hundred fifty pages, depending on the course, of useful and important material. Course materials comprise load exercises and load charts for the crane with which the trainee is working.

More than half of the course includes Hands-On Safety Training. Practical training is useful for increasing and developing personnel skills levels. Just licensed journeyman crane instructors are selected to teach the courses. Our instructors have numerous years of practice in the industry.

Optional testing mechanisms are offered for all of our courses. Students will usually write tests both before and after training. A test for skills is normally administered for programs that consist of H.O.S.T. Individuals training would be graded and tested.

We offer certified training programs for the following cranes: Fixed and Swing Cab Mobile Hydraulic Cranes; Lattice Boom/Crawler Cranes; Rigging / Signalperson Certification and Training; Articulated Boom / Knuckleboom Cranes; Testing & Certification; and In-The-Seat Training.
